Dear Sir/Madam,

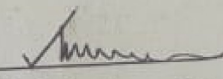

Globally the “World Accreditation Day” is observed on 9 June with the joint initiatives of International Laboratory Accreditation Cooperation (ILAC) and International Accreditation Forum (IAF) to create mass awareness about the importance of accreditation among the stakeholders. Bangladesh Accreditation Board (BAB) has been celebrating this day in a befitting manner since 2011. The Government of Bangladesh has declared the day as a National Day. This year BAB plans to celebrate the day nationwide in a boarder perspective and festive mood. The theme of the day this year is:

**“Accreditation: Empowering Tomorrow and Shaping the Future”** For Farther details you can visit <https://ilac.org>
